Illegal search of Korluh Kennedy & Velissa Shaelton's apartment: 4/10/2019  
Public Employee(s) Involved: Trooper Thiago Miranda (ID # 3565)  
Location 184 Cohasset Street, Worcester, MA

Dear Secretary Maldonado, Attorney Healy and Colonel Mason:

Please be advised that I represent Korluh Kennedy and Veelisa Shaelton, ("Mrs. Kennedy) and ("Ms. Shaelton") two individuals who were victims of an unwarranted invasion of their home by members of the Massachusetts State Police violent apprehension unit back on April 10, 2019. This occurred at Ms. Kennedy's home located at 184 Cohasset Street in Worcester, Worcester County, Massachusetts. Ms. Shaelton was a tenant at her home who paid rent to her. Both were injured as a result of the collective gross negligence of State Troopers that were members of the violent apprehension unit. We only know the identify of one of the Troopers, MSP Thiago Miranda, (ID#3565). I write to your office give you notice and presentment on behalf of my clients, Ms. Kennedy, Ms. Shaelton, who alleged injuries as a result of the grossly negligent conduct on the part of Trooper Miranda and others. This notice is served under the Massachusetts Tort Claims Act.

### Facts

On March 21, 2019, Mrs. Kennedy's son, Augustus B. Kormah was arrested by a Massachusetts State Trooper, Antwan Haywood #3967 in Worcester County and charged with a drug offense, possession of Class B drug, subsequent. See Ex. # 1. Mr. Kormah was scheduled for arraignment and did not show up to court to the Worcester District on March 25, 2019 and a bench warrant issued. See Ex. 2, court docket for Mr. Kormah at the Worcester District Court. Mr. Kormah did not live with his mother at 184 Cohasset Street in Worcester, Massachusetts. Mrs. Kormah is a naturalized U.S. citizen who was born in Liberia.

When he failed to show up to Court the MSP violent fugitive apprehension force went looking for him and showed up to his mother's house at 184 Cohasset Street knowing he did not live with his mother. This is the reason why the state police fugitive apprehension group went looking for him at his mother's house. A large group of Troopers went to Mrs. Kennedy's house around 6:30am and knocked loudly. When Mrs. Kennedy approached the door they demanded to be let into her house. When she opened the door a group of Troopers rushed into her house. They did not have a search warrant with them to enter or search her house. Weapons were pointed at her and at Ms. Shaelton. Mrs. Kennedy told the officers her son, Augustus B. Kormah did not live with her and that she did not know of his whereabouts. Instead, the state police officers including Trooper Thiago Miranda began systematically searching her apartment and destroying it in the process. They even brought two police K-9's to search through her house. One of them urinated inside of her house. After approximately 35 to 45 minutes of wrecking her apartment, Mrs. Kennedy asked a Trooper, (Thiago Miranda) whether they had a warrant to be in her house and search it. Miranda told her he did not have one. When Mrs. Kennedy told her she would call my office, the troopers packed their belongings and left. I have include photographs of the damage they caused to my client's house/apartment. Ex. 3. My clients were traumatized by the police actions. Before they left, one of the Troopers (Thiago Miranda) who did not identify himself by name to Mrs. Kennedy allowed her to take a photo of his telephone number. Ex. 4. The phone was listed to "Tom" with a phone number [REDACTED]

On June 1, 2019, we filed a complaint with the Massachusetts State police See Ex. 5. On June 16, 2020, our client was interviewed at our office by Ret. Det. Lt. Robert F. Fries from the State Police Standards and Training Internal Affairs Section. More recently we made a public records request and were told by the Mass. State Police Law Department they had no records of anyone from the fugitive apprehension unit or K-9 being deployed to Mrs. Kennedy's apartment on April 10, 2019. We were told to check with federal authorities. But they had not been involved in the illegal entry and search of our clients house.

Lidia A. Maldonado, , Secretary  
Maura Healy, Attorney General  
Col. Christopher Mason, Superintendent

We recently compared "Tom's" phone number appearing at Ex. 4, in our proprietary data base. This number belongs to Trooper Thiago O. Miranda who lives at [REDACTED], MA. See Ex. 5.

DEMAND PURSUANT TO M.G.L. c 258 s. 4

As per c. 258 the Commonwealth is liable to Mrs. Kennedy and Shaelton for damages as result of their negligence. Mrs. Kennedy demands \$1 [REDACTED] and Ms. Shaelton demands \$7 [REDACTED] from the Commonwealth for the injuries they suffered.

Thank you for your anticipated cooperation.

Sincerely, I remain.

By Trooper Antwan M Haywood #3967

**THEURER/ KORMAH**

1. On Thursday, March 21, 2019, at approximately 2033 hours, I, Trooper Antwan Haywood #3967, was on patrol in MA State Police Cruiser #507 on South St (public way) in the City of Worcester, when I observed a Honda Accord (MA REG: [REDACTED]) operating. As it approached the intersection of South St (public way) and Providence St. (public way), the vehicle came to a stop directly over the cross walk of the vehicle instead of behind it. I followed the Honda Accord as it turned left onto Providence St, activated the cruiser's emergency lights and the vehicle came to a stop.
2. I then exited the cruiser, approached the vehicle from the passenger side and greeted the occupants. I asked the driver for his license and the vehicle's registration. He identified himself as KORMAH, Augustus (DOB: [REDACTED] OLN: [REDACTED]) via a MA Driver's License. I also asked the front seat passenger for his identification. He stated that he did not have a license on his person, but stated that his name was Default, George (DOB: [REDACTED]). He also stated that his social security number was [REDACTED]. I then went back to the cruiser and ran a CJIS query of both the operator and passenger. I ran the CJIS information for the name provided by the passenger. The license status stated that it was cancelled and within the BOP, there was a comment that said: "COMMENTS: REPORTED DECEASED BY CT 69 ON 11/9/95". I then knew that the passenger was not being truthful about his identity. I then went back to the vehicle and informed the passenger that I knew he was not being truthful about his identity. I then asked him why he was being dishonest and he stated that he thought he may have a warrant for his arrest. I then asked him for his correct social security number and he provided it ([REDACTED]). I then walked him to the rear of the cruiser and asked him to have a seat inside while I ran his correct information. I then ran the social security number provided and the CJIS results indicated that his name was THEURER, Arthur (DOB: [REDACTED]) and he had an active warrant (1662CR009835A) out of Worcester District Court for Operating After License Suspension. I then asked him how he knew KORMAH. He stated that he has known him for 20 years. I then asked him how that was possible as KORMAH was not very old. THEURER stated he grew up near him and he said that he had know the driver since he was a kid. I then asked what the driver's name was. He was unable to provide the driver's actual name and stated that he only knew him as "B".
3. I then went back to the vehicle and asked talked to KORMAH. I explained to him that it's obvious KORMAH knew that THEURER was lying when he gave me the name of Default, George. KORMAH stated that he knew that THEURER was lying and that he was surprised that THEURER gave the fake name. I then asked KORMAH how the two knew each other. He stated that they had been in prison together. I told KORMAH that THEURER had lied to me about that as well. I then asked KORMAH whether he would allow me to search that car. KORMAH gave me consent to search the vehicle. KORMAH immediately opened up the driver's side door and got out with his hands in the air without any prompting.
4. I then conducted a pat frisk of KORMAH and asked him to stand on the sidewalk while I searched the car. During the search, I located a small red bag on the back seat of the vehicle on the right hand side with the word "SUPREME" imprinted on it. Inside the bag I located a clear plastic baggie, tied with a knot in the end. Inside of the bag were 11 round blue pills imprinted with "K-9" on them. After further research of the imprint, shape and color of the pills indicated that they were OXYCODONE. I then showed the pills to KORMAH and asked what they were. He stated "I don't know, someone must

have left those there". I looked further in the bag and found a MA Uniform Citation #T1480654 issued on 02/21/2019 to KORMAH, Augustus (DOB: [REDACTED] OLN: [REDACTED] for speeding, proving to me that this was in fact his bag. I then requested the assistance of Tpr Ryan Sceviour in Cruiser #436. Tpr Sceviour helped me finish the search of the car. The pills were placed into evidence bag 45185. KORMAH contacted a licensed operator to drive the car away.

5. THEURER and KORMAH were transported to SP Holden where they were booked, photographed, fingerprinted and allowed to use the phone. KORMAH was read his Miranda Warning and selected "No" indicating he did not wish to speak with us. The bail commissioner was contacted and set bail at \$40 for THEURER and \$2040 for KORMAH. Evidence bag 45185, containing the blue pills was placed into the temporary evidence locker. Entries reflecting the placement of the evidence bag were logged into the Daily Administrative Journal as well as the Temporary Evidence Locker Log Book. Both were placed into the cells pending bail.

6. THEURER and KORMAH are to appear at Worcester District Court to answer to the following offenses:

THEURER

WARRANT..... 1662CR009835A (Operating a Motor Vehicle after License Suspension)

KORMAH

89-11..... Crosswalk Violation

94C-34-D..... Possession of a Class B Drug, Subsequent (OXYCODONE)

Previous Guilty Cases: Worcester Superior DKT: 1202741, Worcester District: 1062CR006932A

7. With all paperwork complete and only court action pending, I respectfully request that this case be considered closed.

The above is a summary of the events as they occurred.

<p><b>NARRATIVE:</b> Please provide a description of the event that you are reporting. Include the following information if known and/or applicable: Officer name, rank and badge or identification number, cruiser description and number, witness information and citation number.</p> <p>On 4/10/2019 members of the MSP MOVE team and fugitive apprehension team went to Mrs. Koriann Kennedy's apartment looking for her son, Augustus B. Kormah, who had an outstanding arrest warrant from the Worcester Court. Knowing full well that Mr. Augustus B. Kormah did not live with his mother (a MSP Trooper knew that he had a Grafton Street address) they pointed weapons at Mrs. Kennedy demanded she opened the door to her apartment, search and reeked 3 floors of her apartment, systematically, searching bedrooms, the kitchen, bringing K-9's to rummage through her entire house including the garage. All of this was done without consent or a warrant. Mrs. Kennedy told them her son did not live with her. The illegal entry and warrantless search was finally stopped after Mrs. Kennedy asked if they had a warrant. A trooper who failed to identify himself to Mrs. Kennedy (Trooper Thiago Miranda) told her, they did not have one. When she mentioned to him I represented her, Trooper Miranda spoke with someone on his radio and left. He and the rest of the crew also refused to identify themselves -- a clear violation of MSP policies and procedures. We ask that you conduct a swift investigation and that you appropriately discipline each and every person that illegally entered and reeked their apartments. We searched the Worcester District Court search warrant data-base and no warrant was ever obtained to search 184 Cohasset Street.</p> <p style="text-align: center;"><i>Veronica Shaelton</i></p>
